**Class 2 Vacuum Tanker Drivers - Cheltenham Area**

Midland Drivers are currently recruiting for a Class 2 Vacuum Tanker Driver for our client who is a family owned waste disposal and recycling Transport Company based in the Cheltenham area.

This unique position has become available due to our clients increase in work and is offered on a temporary – permanent basis.

The job will involve driving a class 2 vacuum tanker nationwide collecting recyclable goods from recycle bins which are based in supermarket car parks, retail parks etc.

Full training will be provided on operating the vacuum tanker.

Drivers would be expected to achieve around 8 – 10 collections per day.

Nights out will be required for this position.

The days of work are Monday – Friday with occasional overtime available at weekends.

The rate of pay is £10.60 per hour + £1.00 bonus for every collection achieved.

Night out allowance is £25.00 per.

Immediate start is available for the right candidate.
